

Provincial Dental Board of Nova Scotia

Continuation of Mask Policy for Dental Offices – October 25, 2022

At its meeting on October 24, 2022, the PDBNS Board passed a motion that that the PDBNS would continue to align its masking policy for dental offices with that of Nova Scotia Health for ambulatory settings pending future re-evaluation.

As per page 3 of the [Nova Scotia Health protocols](#), masks are required in waiting rooms.

Dental offices may find it helpful for patients, public, and staff to share this [downloadable poster](#) which identifies the origin of this policy
